Speed the Victory**

After four years of war the Germans still occupy all the countries they have invaded. The Japs still hold most of the territory they took. The Russians are fighting to regain their own country. The Chinese are fighting to regain China. On the battle front we're just getting going. On the home front we must keep on going. We must buy more Victory Bonds.

**If everybody in this community
buys Victory Bonds...**

**If those who have bought bonds
buy more bonds...**

We will help to speed the Victory

Let's not be satisfied with anything less than the best that we can do.

If you have bought bonds with cash you had on hand—buy more bonds on the convenient savings plan, which spreads your payments over a six months' period.

Let's go out for a record that will give us something to talk about and make others talk about us.
